7. ADJOURNMENT

MINUTES of the Regular Meeting of the Board of Directors of Pliocene Ridge CSD. Held Wednesday July 19, 2017 at Station 67, 100 Pike City Road..

- 1. Call to order: The meeting was called to order at 6:35 pm by President Wayne Babros. Board members present: Wayne Babros, Bruce Coons and Daniel Guyer. Gracie Knowles notified the Secretary in advance that she could not make it. Also present were Pike City assistant chiefs Jim Buckbee & Tom Starr and Alleghany assistant chiefs David Arbogast and Ned Cusato, PCVFD auxiliary President Roland Robertson and AVFD auxiliary Chairman Bob Hale and Secretary Vickie Tenney. Pliocene Ridge CSD Secretary Rae Bell was present and took the minutes. Flag Salute.
- 2. <u>APPROVAL OF THE AGENDA</u>: A motion was made by Bruce Coons to approve the agenda, 2nd by Daniel Guyer. **Motion passed: 3 Ayes, 0 Nayes, 1 Absent, 0 Abstain, 1 Vacant.**
- 3. PUBLIC COMMENT: None

4. INFORMATION/DISCUSSION ITEMS

- a) Correspondence: Incoming Certificates of completion for the recent Ethics and Harassment Prevention Training workshop, Statement of Insurance Coverage from Golden State Risk Management Authority Outgoing Letter to the State Controller notifying them of PRCSD's decision to opt into the Uniform Construction Cost Accounting Act, Calif. Special District's Association Ballot.
- **b)** Committee/Member/Business Reports:
- 1. Alleghany Assistant Chiefs Arbogast and Cusato reported that since the last meeting there was one medical call that required a helicopter, that same night Pike City and Alleghany had training with the CHP Flight crew and H20 thanks to Tom Starr setting it up. There was a very good attendance at the training with about 30 people from Pike, Alleghany and Camptonville. Leslie Baker the recently certified EMT who moved away picked up his gear and stated that he plans on spending time in Alleghany this summer. The battery on 7100 needs to be replaced. Ned is picking one up along with a battery tender (trickle charger) because it seems to have a battery drain even when everything is turned off.
- 2. Pike City Assistant Chiefs Buckbee & Starr reported that they have been extremely busy with lots of LZ set-ups for Camptonville Fire, broken pipes and dead batteries. They recently replaced the batteries in 6740 and 6700?? Jim handled the hydro-restat on the new SCBA's that Camptonville is giving to Alleghany which required four back-and-forth trips to North San Juan.
- 3. Station 71 Auxiliary Bob Hale reported that there was nothing new to report since the last meeting.
- 4. Station 67 Auxiliary Roland reported that their taco night went very well with 55 meals served. They were expecting more, but were not disappointed in the amount of money it brought in. They set up a table explaining the firehouse project with a request for donations and got \$500 for that. They also had some new volunteers help out and it seems like they will continue to help.
- 5. Risk Manager Report: A letter and check were recently received from the Insurance Company notifying the district that it earned a \$215 rebate for its participation in the Loss Prevention Incentive Program.

- 6. Board Member/Staff reports: None
- 7. Standing Committee Reports: Streetlights: Bruce Coons reported that PG&E has not set a date yet for the upgrade but it should be soon. He will be the contact person when they come to Alleghany to help them locate the three lights that were missed by the field rep who did an inventory earlier in the year. Emails were exchanged providing contact info. back-and-forth between Pliocene Ridge and PG&E so they will let Bruce know in advance what day they plan on doing the upgrade. It should only take one day to do both Alleghany and Forest City.

5. ACTION ITEMS

- a) Approval of regular meeting minutes dated June 21, 2017 Motion to approve the minutes as submitted made by Daneil Guyer 2nd Bruce Coons. **Motion passed: 3 Ayes, 0 Nayes, 1 Absent, 0 Abstain, 1 Vacant.** It was asked why a July meeting was called when it was moved by the board to cancel it in June and the answer was that board approval was needed for the Hold Harmless Agreement (see new business).
- b) Approval of treasurer's report dated 6/30/17 Motion made by Daniel Guyer 2nd by Bruce Coons. Motion passed: 3 Ayes, 0 Nayes, 1 Absent, 0 Abstain, 1 Vacant.
- c) Unfinished Business
- 1. Wayman Dam project No report
- 2. Ongoing Policy & Procedure review/update: A motion to adopt the changes as presented to Policy #3100 Purchasing & Bill Payment was made by Daniel Guyer 2nd by Bruce Coons. **Motion passed: 3 Ayes, 0 Nayes, 1 Absent, 0 Abstain, 1 Vacant.**
- 3. Regarding the Alleghany Firehouse project: Ned Cusato reported that he got permission from the County to bring over their tree faller and chipper to take out the two trees. Rae Bell asked if the Pliocene Ridge Board was OK with allowing management to hire one or two Alleghany Firefighters at a rate of \$20 per hour to drag the slash to the chipper. The job will be offered to all active Alleghany Firefighters because it is doubtful that there would be more than two takers. The board concurred that this would be OK. Ned will be in charge of getting it scheduled and overseeing the crew. Wayne Babros gave permission to have the wood chips spread on his property adjacent to the firehouse lot. It was also reported that the adjacent property owner with the cabin near the firehouse gave permission to clear out the locust trees coming up between the cabin and the firehouse.

There was a question from Vickey Tenney about the hot water heater and ADA access for the bathroom, when they were going to be done. Bob Hale explained that the current priority is taking care of the outside structure per the current project.

4. Regarding the Pike Firehouse projects: Roland Robertson reported that they will be ordering the door for the top of the staircase in 10 to 12 days. Mark Jokerst is doing the engineering drawings for the staircase and will provide them to the metal-worker.

They got a denial letter from SPI on their request for a donation. The letter cited other projects and scholarships that are already being funded but stated that it was a worthy project. Roland is still planning on make a presentation to the Yuba County Water Agency.

They continue to work on the project packet for the lift. They expect to get started on the stairway project next month.

5. Dispatch Office in Alleghany: Vickie Tenney reported that she spoke to both Mike Lazono (new Downieville Fire Chief) and Joyce White the dispatch supervisor. They have put the Alleghany Dispatch Office project on the "side-burner" for now because they are overwhelmed with getting new dispatchers trained and set-up in Downeiville. Vickey assured them that if purchasing a radio was an issue the funds could be provided by either the Alleghany Volunteer Fire Dept and/or Pliocene Ridge CSD. She also explained to them that a dispatch office in Alleghany would benefit Downieville greatly in the event of a fire in Downieville, in which case they could station dispatchers in Alleghany. They advised her to "be patient" as they have other priorities right now.

Rae Bell reported that per the request made at the June meeting, she did confirm that Downieville Fire's Insurance Policy is in place. She also spoke to Walter Michael with Golden State Risk Management Authority (same insurance company covers both Downieville FPD and Pliocene Ridge CSD) regarding how dispatchers on the Alleghany Roster would be covered while dispatching. Walter stated that it would be up to the two districts to write out a Memorandum of Understanding (MOU) regarding who is responsible for what.

While on the topic of MOU's Rae explained that there have been ongoing discussions between DVPD representatives and PRCSD representatives about the need for a MOU regarding: EMT's on ambulance runs for both Pike and Alleghany, as-well-as the ambulance housed in Alleghany and the dispatch office located in the Alleghany Firehouse. The purpose of the MOU would be to define who is responsible for what; in order to avoid misunderstandings. Also, the insurance company prefers to see these in place, so that in the event of a loss or claim it is clear-cut whose policy covers what.

- 6. 17/18 CDF Volunteer Assistance Grant: No report. It was asked if Alleghany Volunteer Fire Department was going to pitch in 50% as they have done in the past, since there had been no word from them. The answer was that they did not decide at their last meeting. They "needed more time to think about it".
- 7. Frontier Medical Resources Advance Life Support Property Fee Proposal No report, the letter still has not been drafted.
- d) New Business
- 1. Request from Treasurer to replace the monthly treasurer's report with the following Quickbooks reports: Journal report, bank reconciliation report, check register and YTD Budget vs. Actual. A motion to authorize the change was made by Daniel Guyer 2nd by Bruce Coons Motion passed: 3 Ayes, 0 Nayes, 1 Absent, 0 Abstain, 1 Vacant.
- 2. Hold Harmless Agreement: Camptonville Fire Dept requested this agreement for the donation fo 4 used SCBA's. The agreement was reviewed by both the District's Insurance Company and Camptonville Fire. A motion to approve the Waiver and Hold Harmless Agreement was made by Daniel Guyer 2nd by Bruce Coons. Motion passed: 3 Ayes, 0 Nayes, 1 Absent, 0 Abstain, 1 Vacant.

 $\underline{\textbf{NEXT MEETING AGENDA ITEMS}} \quad \text{It was decided by consensus to cancel the August meeting.}$

### **PURCHASING & BILL PAYMENT**

Definitions

Management: Fire Chiefs, Treasurer/Secretary

Emergency Expenditure: Unexpected purchases and/or labor that are necessary to keep the district

operational AND that cause a specific expense category to exceed the adopted budget.

Ratification: Approval after the fact.

### Policy:

The annual budget adoption by the Board of Directors provides the authorization for management to purchase equipment and supplies necessary for the operation of the district.

The Fire Chiefs are granted the authority to re-allocate funds within their department's budget categories. The treasurer shall be notified of re-allocations. The Chiefs are authorized to draw on their department's reserve accounts, but must ask for board ratification if expenditures are outside of the adopted budget.

The district treasurer is responsible for paying bills in a timely manner but shall not be a signor on any of the district's bank accounts. A minimum of three district directors shall be signors on the district's bank accounts. The district treasurer is authorized to transfer funds between bank accounts.

### Procedures:

### 1. Purchasing

Management shall verify that all expenditures are within the scope of the adopted budget.

Purchases may be made by the Treasurer, Fire Chiefs or individuals delegated by management for specific purchases.

Credit Cards shall be issued to the Fire Chiefs with a credit limit of \$1,000. Credit card charges over \$1,000 must be made on the District Credit Card via the Treasurer.

Receipts for all purchases shall be turned-in to the Treasurer on a monthly basis with a notation explaining what they are for (if it is not obvious).

Expenditures for Public Works projects defined as construction, alteration, demolition, installation or repair work paid for in whole or in part by public funds shall conform with Policy #2550 "Contracts".

**FINANCES** Policy 3100

Page 2 of 2

### 2. Emergency expenditures

The Fire Chiefs are authorized to make emergency expenditures. The Treasurer shall be notified as-soon-as-possible. The expense shall be brought before the Board at the next regular meeting for ratification as-well-as, identification of how the expense shall be covered (for example: budget re-allocation or the use of existing funds).

### 3. Bill Payment

All bill payments must be matched to an invoice or hand-written receipt. The Treasurer shall write the check number and date of payment on each invoice at the time of payment or staple the check stub to the invoice.

Checks written over the amount of \$1,000 shall require two signatures.

In the event of conflicting policies, this policy takes precedent over previously adopted policy.

Dear SFMR Board and Volunteers:

The Pliocene Ridge CSD (PRCSD) board of directors and staff would like to commend your organization for all of the hard work and amazing progress that you have made in the short time that you have been in existence. It is truly commendable.

Our board has extensively discussed the idea of floating a tax measure based on the presentation given by Frank Lang on April 19th in Alleghany. We have gotten some public feedback as well. While our board is interested in the idea of floating a tax measure and very much in favor of expanding ALS services in Western Sierra County, we are looking at this from the perspective of knowing that we need a tax measure that we can all get behind 100%; otherwise we are sure it will fail.

It might be helpful if your board understands our district's current emergency medical response situation. Currently the district has one full-time resident EMT in Pike, who works in Grass Valley during the week and there is one full-time resident EMT who lives and works in Alleghany; but who is out of the area a portion of the summer. There are also two EMTs (one from Pike and one from Alleghany) who took and passed the class provided by SFMR last year but they are not currently living here. The EMT from Pike plans on moving back full-time sometime in the future. Most of our firefighters are Title 22 Certified (Emergency Medical Response for First Responders).

Downieville FPD provides our ambulance which is stationed in Alleghany and maintained by the Alleghany crew. (DVPD provides the supplies and pays for things like vehicle repairs). However, we cannot roll the ambulance stationed in Alleghany unless we have an EMT available. Frequently we have to request an ambulance from Sierra Nevada Memorial Hospital because there is no EMT available.

The Emergency Medical Response mantra is: ALWAYS BLS before ALS. In the case of our district our biggest need is two-fold: more EMTs and more funding for the district as a whole. Our annual budget runs about \$35,000 and we cover an area of approximately 126 square miles.

The reality is that Pike can get ALS from Grass Valley faster than ALS from Downieville ALL of the time and Alleghany can MOST of the time (the exception would be coming up Galloway Road). Again, we are looking at this whole idea from the perspective of how to get this measure to fly in our district.

The general consensus is that the measure would be sure to fail if it was required to commit funds SPECIFICALLY to ALS services stationed in Downieville. We believe that our best chance at success would bet to float a measure that simply states: "for Fire and Emergency Medical Response". Consideration of placing set percentages on the split between Fire and EMR would be acceptable to PRCSD if SFMR prefers that be done.

Our board does recognize the tremendous opportunity that SFMR is providing by offering to handle the entire election process. No attempt has ever been made to pass a tax measure for the Fire Departments in our area. We understand that a lot of public education will be needed, so the sooner we all decide the better.

We all share the same goal and commitment to improving Emergency Medical Response Capabilities for Western Sierra County. If the measure were to pass in our district it would directly aid that cause. By leaving the verbiage in the measure open, it would allow for an ongoing discussion and development of how to utilize the funds to meet the needs of our unique settings most efficiently.

We sincerely hope that your board will give full consideration to this request. Once your board has had time to discuss this, if the consensus is favorable, then we would like to attend one of your meetings or host your board at one of our meetings.

Sincerely,

Worre C. Balez Wayne Babros

President

Mr. Wayne Babros, President Pliocene Ridge Community Services District 100 Pike City Road Pike City, CA 95960

Dear Wayne:

Thank you for your letter of August 5th, 2017. I apologize for the delay, however, as you can appreciate, there are significant issues to address as we navigate the potential for sustainable Advanced Life Support Services for western Sierra County. We appreciate your support and kind remarks about our efforts.

Currently we are pursuing the prospect of a Voter Initiative, the "ALS Tax Initiative", to be placed on the June 2018 Ballot. We are in the process of learning the requirements for such an initiative that will encompass the geographic boundaries of the Downieville Fire Protection District and the Sierra City Fire Protection District. Both of those Districts support this Initiative, which requires a 50% plus one vote to pass. If passed, it will provide sufficient funds, through real property taxes, to support a paramedic, year round, with the Downieville ambulance.

We offer to keep you informed of our efforts and of our progress. If you are interested in a similar initiative for EMS services for PRCSD, please keep us in mind, as we will be more than happy to share and work together to improve the funding and level of EMS Services in all of western Sierra County.

Best Regards,

Ingrid Larson
