1.ESTABLISH QUORUM, CALL TO ORDER, FLAG SALUTE: The meeting was called to order at 6:04 pm by President Larry Allen. **Flag Salute**. Present: Board members, Larry Allen, Bruce Coons, and Pam Davis. Chris Mills arrived after the consent calendar was adopted and left after agenda item 3. Grace Lundeen notified the Secretary in advance that she could not attend due to illness. Also in attendance: Chief Dorn and Alleghany Assistant Chiefs David Arbogast and Ned Cusato, Downieville Fire Protection District President Frank Lang and EMT/Dispatcher Stephanie Aufdermaur. Public present: Vicky Tenney. Pliocene Ridge CSD Secretary Rae Bell Arbogast took the minutes.

2. CONSENT CALENDAR:

Approval of current Agenda, Minutes for regular meeting held August 17, 2023 and the Treasurer's report for August 2023 A motion was made to approve the consent calendar by Bruce Coons, seconded by Pam Davis Ayes: Allen, Coons, Davis, Noes: none Absent: Lundeen & Mills Abstain: none ~ Motion carried.

3. <u>UPDATE ON AMBULANCE MOU</u>: Downieville FPD President Frank Lang wanted to follow-up in person on the MOU. He provided a brief history of the agreement for the ambulance in Alleghany. The most recent development was that the Sierra County Board of Supervisors and Service Area 2 did not want to be involved in the new agreement. He stated that NORCAL EMS had inspected the ambulance in Alleghany in early August and the ambulance was in good order. There was concern over some reporting deficiencies but nothing that couldn't be worked out. Another draft agreement was provided with the understanding that PRCSD would place an action item on the next meeting agenda after everyone had time to read it.

4. PUBLIC COMMENT None

5. INFORMATION/DISCUSSION ITEMS

a) Correspondence: Email topics (in & out): Van Maddox Sierra County Auditor re: Streetlight budget figure and budget in general, Sierra County Clerk-Recorders office re: Brown Act and remote meetings, Frank Lang re: ambulance MOU, Golden State Risk Management Authority (Insurance Carrier) re removal of one of the vehicles sold last year from the policy and correction of the Pike non-profit's name (their program reverted it back to the old name with the renewal docs), Blain Boden re: audit, Mountain Messenger re: budget hearing notice, Jim Buckbee re: Forest Service Loaner vehicle 6770 (have been trying to return it for over a year, it is still on our insurance until they take it back), NFIRS re system availability, John Pekarek of Banner Communications re: additional siren for Alleghany, Chris Mills and Chief re: Risk Manager Position, Roland Robertson & Denise Ruane re: Russell Davidson as potential person to help with Pike Firehouse analysis.

b) Committee/Member/Business Reports:

- 1. Chief's Report ~ Chief Dorn reported that it's been quiet which is good on the one hand but not good for firefighter training as we learn best by doing. Have one firefighter Cameron Shay taking the EMT class in Downieville. Cameron has also joined the North San Juan Fire Dept.
- 2. Assistant Chief's Report: Ned Cusato reported that there was a response for a smoke check near Alleghany recently that turned out to be a water dog.

- 3. AVFD non-profit corp: ~ Rae Bell reported that she had submitted a request to the Board of Equalization (BOE) last May to find out if there were any audit findings because nobody seemed to have any information about it. A response finally arrived at the beginning of September stating that they hadn't gotten any response from two previous information requests that were sent to AVFD. The BOE was looking for two-year's worth of financial statements which Rae Bell mailed to them by certified mail.
- 4. Pike Community Support Foundation ~ No report.
- 5. Board Member/Staff Reports ~ Secretary/Treasurer's Report provided in writing. Streetlight manager Bruce Coons reported that a light in Alleghany that had been obliterated by a falling tree last winter had been replaced. The one in Forest City has been a bone of contention as PG&E can't seem to figure out where it is, even though they have been told multiple times.
- 6. Firewise Community Projects ~ Rae Bell reported that she has been trying to get one of the firesafe counsel's trailers to the area.
- 7. Firehouse Projects & ADA Compliance:~ No report.
- 8. Pending Grants: None.

MINUTES of the Special Meeting of the Pliocene Ridge CSD Board of Directors Date: Sunday October 29, 2023 1:00 pm

Location: Alleghanv Firehouse station 2 and by telephone conference.

1.ESTABLISH QUORUM, CALL TO ORDER: The meeting was called to order at 1:00 pm by President Larry Allen. Present: Board members, Larry Allen, Bruce Coons (arrived late), Pam Davis, Grace Lundeen and Chris Mills. Also in attendance: District Chief Dorn and Alleghany Assistant Chiefs David Arbogast and Ned Cusato & Pike City Assistant Chief Jim Buckbee. Pike Community Support Foundation President Roland Robertson and Treasurer Denise Ruane (by phone). Sierra County Supervisor Lee Adams. Public present: Dawn & Dan Gomes (by phone) Burns & Vicky Tenney, and Sherri Lee Vierra. Pliocene Ridge CSD Secretary Rae Bell Arbogast was present and took the minutes.

2. ALLEGHANY AMBULANCE ISSUE: The current extension provided by NORCAL EMS for the agreement for Downieville FPD to house an ambulance in Alleghany, staffed by PRCSD personnel was due to expire on October 31st. Staff reported that since the last PRCSD meeting in September considerable time and consideration had been given to the idea of converting the ambulance into an alternate transport vehicle per NORCAL EMS Limited Transport Policy # 3007. This change would increase the district's ability to move medical patients to a higher level of care even when no EMT is available. Currently there are only two EMTS in the district. Staff's inquiry included a consultation with both the district's insurance company and NORCAL EMS. It was determined that the current insurance coverage covers emergency medical services, and no additional coverage would be needed. An agreement with NORCAL EMS would be needed.

After a long discussion including questions and answers, a motion was made to convert the ambulance into an alternate transport vehicle per Norcal EMS Policy # 3007 and to accept Downieville FPD's offer to transfer the vehicle with call number 7145 to PRCSD.

Motion made by Chris Mills. Grace Lundeen seconded. Aves: Allen, Davis, Lundeen, Mills. Noes: none Absent: Coons Abstain: none ~ Motion carried.

- **3. PIKE CITY FD RESCUE TRUCK**: Staff explained that Rescue Truck 6740 had to be taken out of service four days prior due to engine problems. The two options for resolving the issue are to fix the current vehicle or find a replacement for it. There was a discussion about the idea of fixing it. The truck is a 1983 Chevy. It was estimated that it would cost about \$6,000 to have a new engine put in and it needs a new clutch as well. After further discussion staff was instructed to look for a suitable replacement vehicle and report back to the board with some numbers. In the meantime, Staff will find a "stop-gap" measure to deal with the situation.
- **4. WATER TENDER BID** Prior to the break-down of 6740 as mentioned above, both the board and staff had determined that the highest priority for the district's fleet is to upgrade the water tender call # 6790. This vehicle is 47 years old and is called out more frequently than any other district vehicle, often being requested by surrounding local agencies. For over a year, Chief Dorn had his eye on one that he knew was scheduled to be surplussed by the Peardale Chicago Park FPD. He recently learned that they are taking sealed bids with a minimum bid of \$20,000 required.

On October 28th, Chief Officers Dorn, Buckbee and Cusato had gone to look at it and took it for a test drive. They reported that it is a little smaller than the current tender which is good as it is easier to

maneuver in tight places, such as the many back roads in our area. It is in excellent condition and has been well-maintained. Vintage 2005.

Chief Buckbee reported that he had been shopping used water tenders for several years and stated that all the similar ones that he had seen were going for from between \$45,000 and \$50,000. Older ones typically go for \$18,000 to \$20,000. The general consensus was to bid high so that this opportunity is not missed. Treasurer Rae Bell Arbogast reported that the district could apply for up to 75% reimbursement for the vehicle if it is purchased. While there is no guarantee that the grant would be awarded the district does qualify to apply.

A motion was made by Chris Mills to authorize Chief Dorn to bid up to \$30,000 on the water tender known as Peardale-Chicago Park FPD Engine 57 and seconded by Grace Lundeen. Ayes: Allen, Coons, Davis, Lundeen, Mills. Noes: none Absent: none Abstain: none ~ Motion carried.

<u>5. Letter of Support to PUC re undergrounding power lines</u> A motion was made by Bruce Coons and seconded by Pam Davis to authorize the Secretary to send a letter of support for PG&E's proposed project to move the power lines in our area underground. Ayes: Allen, Coons, Davis, Lundeen, Mills. Noes: none Absent: none Abstain: none ~ Motion carried.

6. UPDATE ON PIKE CITY FIREHOUSE ALTERNATIVES ANALYSIS Pike Community Support Foundation President Roland Robertson reported that they had a difficult time finding an engineer or architect willing help with the analysis with many unreturned phone calls and declinations. Finally, they have an Engineer named Russell Davidson working on it. They will be requesting a Planning Committee Meeting soon.

There being no further business before the board, the meeting was adjourned at 1:55 PM

Respectfully submitted, Rae Bell Arbogast, Secretary
